Defendants.

Case No. C07-1739MJP

ORDER DENYING MOTION
TO CONSIDER HARRISON
DECLARATION

This matter comes before the Court on Defendants' request that the Court consider the declaration of Julia Harrison in connection with Defendants' motion to dismiss and/or remand and Plaintiff's motion for class certification. (Dkt. No. 25.) Because the Court has already ruled on those motions, Defendants' request is denied as moot.

The clerk is directed to send copies of this order to all counsel of record.

Dated: May 13, 2008.
